Employer Criminal Background Check Certification

Employer hereby certifies that it has obtained a criminal history background check on each individual employed by the Employer who will teach and/or facilitate the Second Step Program and that said background check is in accordance with O.C.G.A. Section 20-2-211.1 et. al. and that said criminal background check, at a minimum, includes a State of Georgia criminal history background check.

Employer further certifies that it has and shall maintain evidence of a satisfactory criminal history record check on each individual employed by the Employer who teaches and/or facilitates the Second Step Program.
