Sonny Perdue
GOVERNOR

Dear Prospective Foster Parent or Adoptive Parent:

On behalf of the state of Georgia, I would like to thank you for learning about how you can help raise Georgia's foster children. The IMPACT Certification Process will provide you with information about the foster care and adoption program. It will also help you decide if being a foster parent or adoptive parent is right for you.

As you may know, the First Lady and I have served as foster parents and have found the experience to be rewarding. We hope that you will find your journey to becoming a foster or adoptive parent to be fulfilling. Through your partnership efforts with the Department of Family and Children Services, it is my hope that you will also reap the rewards of raising Georgia's children.

Your local Department of Family and Children Services Agency welcomes the opportunity to work with you to provide a loving, safe and permanent home for foster children. The First Lady and I again thank you for your interest in becoming a foster or adoptive parent.

Sincerely,

Sonny Perdue
